

Fourth Annual WPAG Winter Social, Banquet and Shoot

Saturday, March 13, 2010

Social Time 4:00 PM, Dinner 6:00 PM, Shoot following dinner
Lakeside Ballroom, Pike lake, Hatley WI, Banquet and Shoot location

Directions: Hwy 29 to Exit 185 Hatley (CTH Y) turn South on Y, 4.5 miles to Pike Lake area. Ballroom is located on NE corner of Y and Ballroom Lane. There is a big "A" frame entrance.

Five months is a long time to go without pyro friends and shooting fireworks. We again have a permit to shoot both class C AND class B material. We will have a B line with 3", 4", 5", and 6" guns. (Thanks John Petrash!) Our size limit for shells will be 6". There will also be a Rocket area, Class C area, and bonfire.

If for some reason our weird weather patterns make the ice on the lake unstable, we will still have a Class C area and bonfire. If it matters, call Barb by Friday, March 5 and check conditions.

Banquet Information: This years banquet will be held on Saturday, March 13, 2010. The social hour will start at 4:00 PM, dinner at 6:00. The menu is chicken, chicken gravy, ribs, real mashed potatoes, stuffing, vegetable, coleslaw, home baked dinner rolls, dessert, coffee and milk. Dinner will be served family style. The cost is 13.25 per person and includes tax and tip.

Please make reservations by Friday, March 5, 2010

Contact: Barb Schneider • E367 County Road J • Wausau, WI 54403
barb6784@aol.com • 715-845-6784

If you could bring exact change or a check made out to WPAG for 13.25 it would be a big help. Please reserve in advance, but bring payment to banquet.

The banquet room is non-smoking because of the wood floor, but smoking is allowed in the other bar.

Shoot Information: The fishing shacks come off the ice on March 7, so we've got the lake all to ourselves. Lakeside Ballroom is directly on Pike Lake, so we have a nice "warming house", indoor bathrooms, a place to change clothes and a bar. Bring warm clothes and a chair to sit by the fire and watch. Plan to bring proven items. There are a lot of houses around the lake, so leave the experimental devices for May. We can shoot until midnight, and the neighbors are friendly, so bring lots of stuff! We'll have treats later.

New this year!!! Only black powder rockets for the winter banquet. "Double sticking" will also be required. If you have any questions about this, Jim Biersach or Steve LaDuke can help.

Remember that YOU will be responsible for maintaining security of the materials during the banquet.
